ABOUT YAA CAMP

Yellowstone Alliance Adventures is a Christian-based camp that focuses on the whole person, more than your average skill-based programs. This summer camp delivers value-based character formation in the midst of wild, crazy, and fun activities that capture student's imagination and interests. Our focus at YAA is on the person rather than their performance. Through well-planned programs, dynamic speakers, cabin times and individual time spent with counselors, campers are enriched, encouraged and introduced to Jesus Christ in a personal way.

Our summer camps are run by a trained staff of Christian leaders who love and care for kids. We guarantee a maximum staff-to-camper ratio of 1:6 in each cabin. Our state licensed kitchen always gets high marks for quality meals and puts out more than just "camp food." You can be assured that time spent at YAA is a great investment and well worth the cost.

TREASURE HUNTERS young and old! Don't miss this summer's heart pounding adventures and perilous pursuits. We will be searching for some of the greatest bounty ever to be discovered! The world's largest pearl might appear or it could be a gold coin in a fish's mouth! Maybe it will be the long lost treasure of King Solomon, the Holy Grail or the fountain of youth. Regardless of the loot, it is going to be high times as we uncover the best treasure of all.

**For wherever your treasure is,
your heart will be there too.**

—MATTHEW 6:21

Start preparing your costume, studying your maps, searching for clues and polishing your spyglass so you don't miss a single turn on your way to camp this summer. See you at the treasure chest!

New!

6th-8th Grades • July 8-13 • \$255

Ready for a little twist on our residential camp program? Wilderness Base Camp will take you deep into the Gallatin National Forest and exchange: cabins for tents; dining hall meals for campfire cooking; field games for day hike expeditions, paintball for nature photography, and skill builders for back country survival skills! What won't change is the quality staff, the fun and excitement, the instruction and the spiritual guidance that you have come to expect in all of our camps.

WILDERNESS BACKPACKING CAMP

9th-12th Grades • July 15-20 • \$300

Take your adventures to new heights as this overnight camp will have you summiting some of the Gallatin Mountains most beautiful peaks. During this 5 night backpacking trip we will hike and explore waterfalls, search for mountain goats and big horn sheep and learn the skills of minimum impact and no trace camping. All the camping and orienteering skills you've learned will be tested and refined as you use them for day to day survival. This is one of the crowning experiences you'll have with YAA.

LEADERSHIP TRAINING PROGRAMS

TIMOTHY PROGRAM

June 8-July 28 • 9th-12th Grade

With character formation at the forefront of YAA ministries, the Timothy Program provides a community-based, training environment that focuses on the whole person. It is our goal at YAA to reach out to teens in a way that brings their faith alive, helps them take steps in their spiritual growth and challenges them to live out their faith when they leave. Students will also learn different skills and have many chances to serve. Using all aspects of camp with daily Bible studies and powerful mentoring relationships, these students are given a strong foundation to become reliable men and women who will make a positive impact on others.

For information and an application visit our website (www.yaacamp.org) or call YAA at 406.763.4727.
